EDUCATION

Loyola Marymount University

BA, COMMUNICATIONS | 1996

Film & Television

Studied film and television which combined my love for the "story" and my technical editing skills

University of Arizona

CONTINUING EDUCATION CERTIFICATE | 2019

MERN Full Stack Web Development

INTERESTS

REACT

Has quickly become my favorite library. Styling components is my new happy place

JAVASCRIPT

I find myself learning something new about JS everyday

YARN

Combined with NPM, an unstoppable force

NPM

Constantly amazed by what developers are doing with NPM

GITHUB

I've learned how to manage projects, code and my fear of commitment

CSS 3

Like an old friend who never lets me down

NODE

I'm sad that I didn't know NODE before this year
